

CLASS OF 1982:

You have been given an opportunity to view and compare some very profound changes in our national domestic policies. This occurrence is uniquely yours because of your particular time in high school. For the first time in many years, you will have at least two ways to measure the outcome of our country's programs. Standards of comparison are both vital and proper.

It is my hope that each of you develop a sense of purpose while at Souderton. The discriminating thought process you employ will assist everyone in a positive way. Let your influence be felt through involvement and fairness.

To each of you, I offer my warmest regards and best wishes.

Sincerely,

Albert Mancini

## THEME

Time . . . what is it?  
Four minutes between classes?  
An hour and a half long Physics lab?  
The final bell at 2:38?

\* Time holds many different meanings for many different people. For those remaining a SAHS, time will probably be related to the number of days until graduation. But those of us who are moving on will have a whole new concept of time. Will we look at time as a 9 - 5 job, as a 10.00 class, or as 2100 hours?

\* The 1982 Undiscovered has chosen to make Time its theme and to show, hopefully, how its passage has changed us all.

# Dedication

Although many members of the faculty and staff have contributed to the character of the Senior Class, two individuals seem to stand out above the rest.

Our class advisor, Mrs. Winkler, has helped us through many trying times over the past 3 years. From the hectic zoo which was the Pancake Breakfast - to finding the "perfect" senior trip, she has guided and advised us with patience and understanding. The officers of the Senior Class all wish to thank her for her efforts.

Another model of sterling qualities can be found in the person of Mr. Crittenden. He has been quite a friend to so many of the members of our class throughout the years and was always there to listen. His overwhelming charm, wit and dashing good looks were greatly appreciated by all who came to know him.

The class wishes to thank these two people for their interest and their time. We respectfully dedicate the yearbook to them, and hope they find much luck and success in the future.

# In Memory Of Chuck Fisher

Just sittin' here and thinkin', friend,  
And wonderin' how 'twould be,  
If I had not known you at all  
And you had not met me.

All things we've shared would then be lost,  
The smiles and heartaches, too --  
The world would be a dreary place  
If I had not known you.

But these fond memories through the years,  
All the fun times, too,  
Just make me thankful you knew me  
And glad that I knew you.

--Ruth F. Hoak

# Foreign Exchange

Row 1  
Row 2

The foreign exchange club is an important organization at SHS. Every year we are fortunate to have students from different countries attending our school. Souderston students also have the opportunity to visit other countries. Without the services of this club, the visiting students would feel lost.

This year was a busy one for the club. They sponsored numerous activities including two international weekends. The club also helps us fight the munchies by selling frozen pizzas after school.

This year's visiting exchange students are: Aralicia Alvaro, Sandra Mereno, Rignat Strommen, Pete W. 2000.

Enjoying the holiday party during international weekend

# Student Federation

# Ski Club

The Ski Club is a group of students who are interested in skiing. They meet every week to practice their skills and to discuss the latest news in the world of skiing. The club is open to all students who are interested in the sport.

# Hockey

Chris, doing her thing!

This year's hockey season was a discouraging one for team. It started off well but ended with a few losses because of flick offs and therefore missed their chance for BuxMont. There were seven returning players from the 80's such as Tomi Landes, Jenny Trowbridge, Chris Lacy, Faith and Beth Cowell, Toni Bartholomew and Missy Blank. The three captains were Faith, Beth and Chris. The team was very strong and their record of 5-4 showed that they were a top team. For example, the last game of the season against West seemed to show their endurance, for they came up with a victory of 1-0 in overtime. The following were made BuxMont awards: Faith Cowell, Beth Cowell, Chris Lacy, Jenny Trowbridge, and Toni Bartholomew. Coach Ramsey was pleased with the season and hoped for a great future.

# Dedicated to Mr. "Bucky" Price

The following is a list of the girls who were coached by Mr. Price during his 16 years as head coach. The girls are listed in chronological order of their graduation year. The girls who are listed in the first column were coached by Mr. Price during his first 10 years as head coach. The girls who are listed in the second column were coached by Mr. Price during his last 6 years as head coach. The girls who are listed in the third column were coached by Mr. Price during his last 2 years as head coach. The girls who are listed in the fourth column were coached by Mr. Price during his last year as head coach.

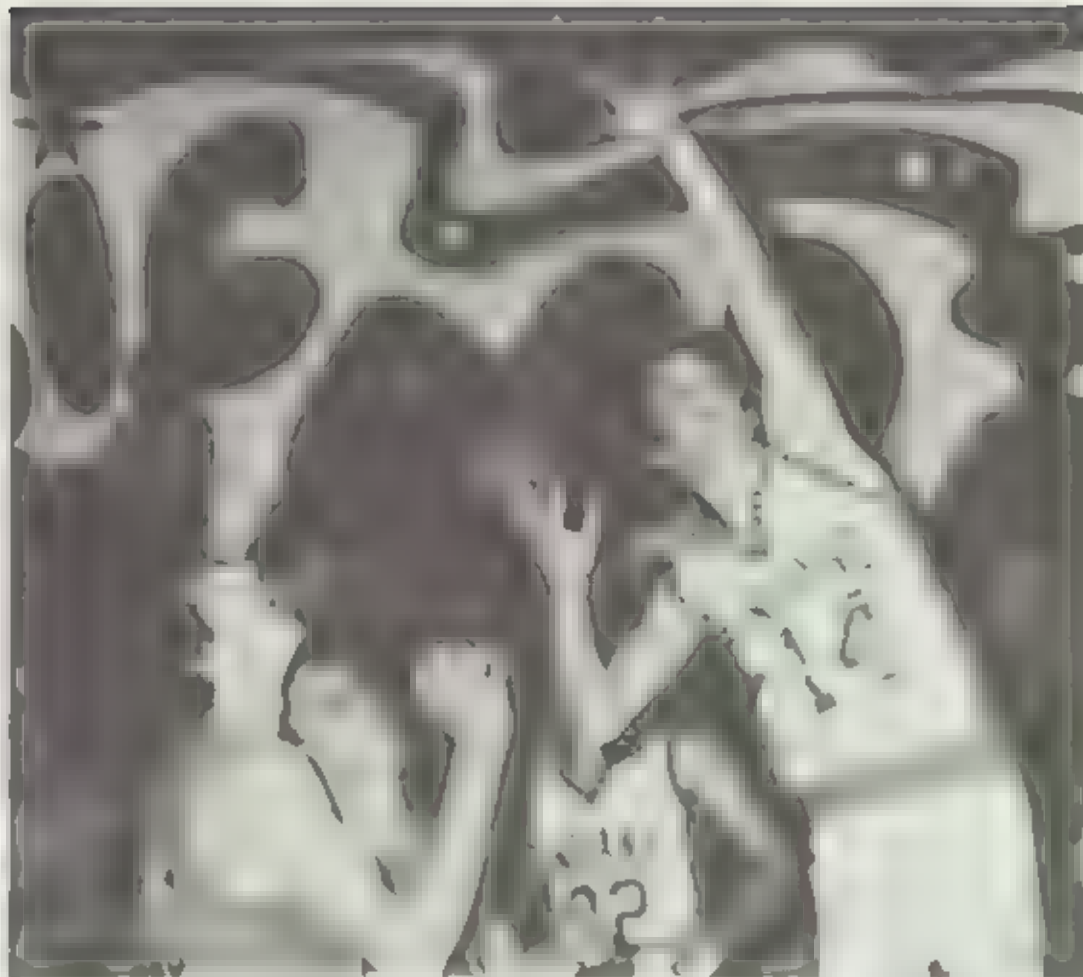

Mr. Price has influenced many students during his years of coaching. Through dedication and hard work, he developed a winning tradition in girls basketball. In 16 years as head coach, Mr. Price earned a 134-62 record including a 47 game winning streak in 1970-71.

Not only was he a winning coach according to his record but he was also a well respected person in the eyes of all the young women he coached.

Thank you "BUCKY" Price for contributing so much to the school! You will be missed!
